

JOB ANNOUNCEMENT

TITLE: Road Decommissioning Assistant

DEPARTMENT: Eastern Conservation

REPORTS TO: Nathan Heavener, Conservation Crew Coordinator

POSITION TYPE/HOURS: Seasonal/ 40 hrs

ABOUT TROUT UNLIMITED

Trout Unlimited is a national organization with 300,000 members and supporters organized into over 400 chapters and councils nationwide. These dedicated grassroots volunteers are matched by a respected staff of organizers, lawyers, policy experts, and scientists, who work out of more than 45 offices across the country. Our mission is to conserve, protect, and restore North America's cold-water fisheries and their watersheds.

POSITION SUMMARY

Trout Unlimited in West Virginia is looking for energetic, intelligent and motivated individuals to join our growing staff for seasonal employment in 2018. TU is working with the USFS-Monongahela National Forest to assist activities that support native trout and aquatic resource conservation. We are looking to fill temporary positions with a negotiable spring start date and a maximum 6 month term. Successful candidates may receive training and experience in multiple restoration activities but will work primarily as a Road Decommissioning Assistant.

Position Description

Roads Assistants work 40 hour weeks (typically 4 days at 10 hours/day) providing support for an Excavator Operator. The operator is using an excavator to remove logging roads, returning the hillside to its natural slope. Support is provided through the delivery of supplies both on foot and via UTV. This position requires the ability to carry 50lbs or more over long distances on rough terrain, in inclement weather. Work will be based out of the Forest Service Station in Bartow, WV, with travel to multiple sites in the Monongahela National Forest.

DUTIES AND RESPONSIBILITIES

- Seed and replant roads.
- Communicate and ensure safety of machine operator at all times.
- Deliver fuel and supplies to remote work locations.
- Maintain equipment and report maintenance/equipment needs to supervisor.
- Operate ATV/UTV according to Forest Service standards.
- Work remotely in a safe and efficient manner.
- Additional duties in support of the watershed program may be required and include, but are not limited to: tree planting, conducting stream surveys, assisting road decommissioning activities, supporting culvert replacement projects, water temperature monitoring, and education/outreach.

This is not an all-inclusive list of duties and responsibilities.

QUALIFICATIONS

- Ability to quickly acquire skills and learn new techniques.
- Willing to work long days in challenging environments.
- Strong communication skills.
- Working knowledge of watershed health and function.
- A valid driver's license and the ability to pass background checks for employment.
- A strong passion for native fishes and the watersheds upon which they rely.
- Ability to think creatively, keep an open mind, and take constructive criticism.

Competitive candidates will have one or more of the following:

- UTV/ATV certification or experience
- Chainsaw experience and/or certification.
- Trail maintenance or construction experience.
- Knowledge of hydrology.
- Knowledge of basic mechanical repair.
- First Aid/CPR training.
- Previous leadership or teamwork experience.

HOW TO APPLY

Please send a letter of interest, resume and 3 professional references in a **single attachment** to wvtujobs@tu.org. Please note, this is a seasonal, 3-6 month position depending on start date. Please insert the words "**Road Assistant**" in the subject line of the message. No phone calls please.

TU is an Equal Employment Opportunity & Affirmative Action Employer pursuant to Section 503 of the Rehabilitation Act & Vietnam Era Veterans Readjustment Assistant Act.

TU hires staff without regard to race, color, religion, national origin, age, gender, sexual orientation, marital status or disability.
